Board of Directors meeting was on June 21, 2022.
Board members present were Ken Ponton, Elizabeth Ellis, Lloyd Barcak, Johnny Johnston.
Meeting opened at 4:00 pm.

Old Business: None

New Business: Lloyd said that Larry Robinson, who owns the house to the left of the association's park, has been having issues with people walking on the shoreline near his property. He said that they are entering from the association's park area. Robinson also stated that there are people at the park after dark. Lloyd suggested to have the park open from sunrise to sunset. Lloyd made a motion to set the park hours from sunrise to sunset, Elizabeth seconded it. Motion was carried.

Mr. Robinson was advised to contact the Live Oak County Sheriff Department if he had any additional issues with people at the park. Deputy Guerra did show up to the meeting and stated he would patrol the park more to ensure there wasn't anyone there that wasn't supposed to be. Lloyd also stated that a sign should be put up showing the hours the park is open.

Elizabeth said Mike Guetersloh stated that he had purchased some grass and had installed it on the association's side of the runway and wanted to know if he was going to get reimbursed for the grass that Ponton had torn up on his tractor. Johnny stated when the incident occurred, he and Shad had went to the grass in question, assessed the issue and had offered to roll it to smooth it out. It was not a hazard. Johnny said the grass was not approved by the board to be installed and Guetersloh was not going to be reimbursed.

Elizabeth made a motion to adjourn, seconded by Ken. Meeting adjourned at 5:15pm.

Minutes for the 2019 annual meeting was read by Elizabeth. Stephen made a motion to accept, seconded by Debbie, motion carried.
Financial report for 2019 was read by Elizabeth. Mike made a motion to accept, seconded by Elizabeth, motion carried.

Old Business: Ken said that the fence is finished at the boat ramp. The gate has been staying locked however someone has damaged it and is going to be fixed. Ken said that he also got an estimate on what the cost would be to bury the power lines at the end of the runway (FM3162 side). The cost would be around \$31,000. The cost could be reduced if the association made the trench for the powerlines. This will be tabled for now. Debbie stated that we could look at getting some new orange highline balls so that they can be better seen by the pilots. There may been some powerlines being replaced there at the end of the runway. If so, it would be a good time to make contact with the electric company to coordinate with them to get the new balls installed. Ken said that if he saw them working on the powerlines he would make contact with them to try and get some more installed.

New Business: Ken said he has received several complaints about people swimming and fishing at the boat ramp. They do not move when boaters launch or bring in their boats. A no fishing or swimming sign will be posted. The pier at the boat ramp also needs to be fixed or replaced. Ken got an estimate to replace the whole pier with an aluminum floating pier. They come in 10-foot sections and the total cost should be around \$3,800. It is also very stable and carry a lifetime warranty. Debbie made a motion to purchase the new aluminum pier, Ken seconded. All were in favor, motion carried.

Terry said that the gate at the park has been left unlocked. Ken stated that Mike and Tom were going to fix the gate so that it can be locked. Trash at the park also has been removed.

James made a recommendation to have some security cameras installed at the boat ramp so we can catch who is damaging the gate. This was tabled for further discussion. Mike ordered lenses for the runway lights and will install them.

Rene made a motion to adjourn at 11:00am, seconded by Mike.

New Business: Ken said that James Piper is with a group that flies power parachutes. They plan to have a "fly in" within the next few months. They would be also visiting members on the runway. Ken said that they have done this before in the past with no issues. They also have insurance. They just wanted make sure the board had no issues with them flying in. No board members had an issue.

Ken said that the boat ramp pier needs to be fixed or replaced. He has found a company that sells sections of floating piers that come with a 15 year warranty. The pier can be adjusted when the lake level goes up and down. Elizabeth suggested he get a bid of what the exact cost of this floating pier would be and the dimensions are. Ken said he would do that and get some pictures for the board to review. This was tabled for further discussion.

Ken said that he would like to try and get rid of some of the cane that is located at the park. The neighbor to the right of the ~~also wanting to get rid of their cane issue. He would like to purchase some weed spray that would kill the cane. He said the weed killer is eco-friendly.~~ He did not have the exact dollar amount of what the cost would be due to the large area that needed to be treated. He also would like to set up a date to try and clean up some of the cane. Stephen made a motion to accept, seconded by Elizabeth, motion carried.

Election results: "Raise dues for active pilots from \$150 to \$250. 19-Yes 11-No

Elizabeth read the minutes for the 2018 annual meeting. Richard made a motion to accept, seconded by Stephen, motion carried.

Financial report for 2018 was read by Ken. Elizabeth made a motion to accept the financial report, seconded by Richard, motion carried.

Old Business:

Ken said that the runway, boat ramp and park have been maintained this year with no issues. There are several members that volunteer to mow. When no one can mow, Ken calls Toler Field Service. Toler mows the Park for \$120, Boat ramp \$20, and the trailer for \$30. Mike Purdy suggested instead of mowing the whole park to just mow strips to get to the water. There were some concerns that the health department may get involved if the grass grew too high. Mike Guetersloh said that the association's property is the best that it has looked in 15 years. He said to keep maintaining it the way we're doing it now. A suggestion was made to sell the pier and park. This was tabled for further discussion. Ron thanked Ken for cleaning up the runway. The association is moving in the right direction. Mike Purdy, Tom and Rene helped fixed the steps and ramp at the association's trailer.

Ken said that we need to try and get more volunteers to help out. The pier at the park has some boards that will eventually need to be fixed. The trees need to be trimmed and the cane needs to be cut back. Ken will try and schedule a day and let the members know.

New Business:

The Election results to raise dues for active pilots from \$150 to \$250 were: 19-Yes 11-No

The dues for active pilots will be raised to \$250 annually.

Ron asked about trying to see if we could get lower electric rates. He suggested Tri Eagle Electric. Ken did not know what the association was currently paying but would see if our rates were high.

Bob and Ron wanted to see if AEP would bury the electric lines at one end of the runway. Since it is a safety hazard, they should not charge the association. Ken said he would make contact with them.

Ron said that the boat ramps pier used to have a hand rail and now it does not. Ken said that the rail was not sturdy and was more of a hazard than helpful. Ron said that the rail helped people get in and out of their boats. Ken would see about adding a little rail. Ken said it might help if the association started using a floating pier so that it would move with the water level. This was tabled for further discussion.

Ron stated that the cable fence at the end of the runway was a hazard. A suggestion was made to remove the cable fence. Ken said this fence prevents people from driving onto the runway. Ken said the will look into trying to find a fence that isn't a "hazard".

Ken said that a fence was put up on one of the side of the boat ramp. This should help with parking. There are also some lights that have been installed to allow people to launch their boats at night.

Pam made a motion to adjourn, seconded by Mike Purdy. Meeting adjourned at 11:30 am.

Old Business: Lights on runway have been replaced.

New Business: Ken said that Rene Cardona owns 2 lots to the right of the boat ramp. He has been speaking to him about putting up a fence because a lot of people park their vehicles on his property thinking it is the association's property. Ken said Rene might consider selling the 2 lots to the association. The association would then sell 2 out of the 3 lots at the park to him for the same amount. This would allow more parking at the boat ramp and would make it easier to mow and police. This was tabled for further discussion.

Elizabeth read the minutes for the 2017 annual meeting. Richard made a motion to accept, seconded by Stephen, motion carried.

Financial report for 2017 was read by Elizabeth Ellis. Richard made a motion to accept the financial report, seconded by Stephen, motion carried.

Old Business:

Runway, boat ramp and park have been maintained this year with no issues. Johnny sprayed fertilizer on the runway and has been catching gophers. There was a hackberry tree on the boat ramp lot that was removed. All other trees were trimmed up. The lock at the boat ramp was replaced again.

New Business:

Ken made a suggestion to raise the annual dues. This was tabled for further discussion. Ken would like to sell the mobile home. It is only being used once a year and is eventually going to need to be repaired. This was tabled for further discussion. Ken said that there are a few

boards on the pier and the boat ramp that need to be eventually replaced. Ken also stated that the association signs need to be replaced.

Rene Cardona owns the property right next to the boat ramp. He has offered to help supply material to build a fence. He has been having a lot of "boaters" parking on his property, trespassing. Ken said he would get with Rene and verify property lines and see if the fence can be installed.

The cane at the park is growing fast. It is underneath the pier and eventually will overtake the park. Ken said there is an aquatic poison that will kill the cane but it will have to be cut down first. A suggestion was made to wait until the water went down some so that all the cane could be taken care of.

Ken stated that it would be nice to gets some lights at the boat ramp. This was tabled for further discussion.

Mike said the runway light cones are a hazard and need to be replaced or repainted. The board was already addressing this.

Stephen said that instead of trying to raise annual dues, we should try and have an annual fundraiser. BBQ or garage sale. Mike made a suggestion to just raise the dues for the active pilots.

December 12, 2017**

Board of Directors meeting was on December 12, 2017.
Board members present were Elizabeth Ellis, Richard Fahrow, Johnny Johnston, Stephen Vickers
and Ken Ponton.
Meeting opened at 6:30 pm.

Elizabeth read the 2nd and 3rd quarter (2017) Board of Directors meeting minutes. Elizabeth
made a motion to accept, seconded by Richard. Motion carried.

Old Business: Mike Purdy painted the posts at the end of the runway. The runway has been
maintained by Ken and Johnny. Steven has been mowing the park and boat ramp.

New Business: Johnny fertilized the runway and submitted a bill to the association. It was
unclear that approval was needed by the board before doing the job due to the bill being over
\$500. It was agreed and clarified by the board members that anything costing over \$100 would
need to be discussed by the board before spending the association's money. Bill submitted will
be paid. The lock at the boat ramp is broken again. Johnny or Ken will see if the can get it
replaced. There is a travel trailer that is parked on the association's property. Johnny said that
it belonged to some friends of Dan McNorton. He will see about getting it removed.

Elizabeth made a motion to adjourn, seconded by Richard. Meeting adjourned at 6:55pm.

Board members present were Elizabeth Ellis, Richard Fahrow, Johnny Johnston and Stephen Vickers.
Meeting opened at 6:50 pm.

Old Business: Elizabeth said that she and her son clipped all the small brush pieces that were growing on the runway. Johnny said the runway has been mowed and some of the trees at the park have been trimmed. The association's tractor is working and can be used. The boat ramp gate has been staying locked when not in use.
Johnny asked if Ken had got the keys and binder from John Toudouze. Unknown at this time.

New Business: Johnny said that he is going to change the combination to the lock at the park. It is not set correctly.

Elizabeth made a motion to adjourn, seconded by Richard. Meeting adjourned at 7:10 pm.

Board of Directors Meeting
April 13, 2017

Board of Directors meeting was on April 13, 2017.
Board members present were Ken Ponton, Elizabeth Ellis, Richard Fahrow, Johnny Johnston and Stephen Vickers.
Meeting opened at 6:30 pm.

Old Business: Ken stated that he spoke with Charlie Toler about not mowing the park or boat ramp anymore. Johnny asked Ken if he had got the association's book and keys back from John Toudouze. Ken said that he had not but that he would.

New Business: Johnny said that he has been working on the association's tractor. He has changed the oil and worked on the tires. He also wants to create a document with the "rules" of how the mower is and where to be used. There will also need to be some type of training to ensure no future damage to the mower. Johnny said that who ever wants to use the mower to mow the runway needs to get with him first.
Johnny asked what the status was on the sample stickers or hangers for members to have to put on their vehicles to use the boat ramp or park. This was tabled for further discussion.

Ken made a motion to adjourn, seconded by Johnny. Meeting adjourned at 7:10 pm.

Old Business: None

New Business: Elizabeth asked if John Toudouze had turned in his LakAero keys and binder. Ken said that he had not but that he would contact John and get the items from him and give them to Stephen Vickers. Elizabeth said she was also going to contact John to remind him.
Johnny said that he and a couple others were going to start mowing the park and boat ramp. He said that Toler Field Service did not need to mow anymore. We could use them as needed but we would call and let them know. Ken said he would make contact with Toler and let them know.
Johnny said that anyone using the association's mower would need to go through a safety orientation to ensure the drivers safety and preserve the integrity of the mower. Johnny said that he would make sure that happened.

Richard asked if there was a Hazmat or Safety plan on place for the runway. If the runway is not landable. Richard also wanted to know if anyone from the association is contacted when Halo Flight lands on the runway. Ken said Halo flight lands on the very edge of the runway and the fire department has their fire truck lights on but no one is contacted about them being there. At this time there is no "plan " in place if the runway is not landable.

The boat ramp pier is going to need attention in the near future. There are some posts that will need to be replaced.

There were a couple of people driving small dirt bikes on the apron of the runway recently. Richard wanted to know what the rule was about having small vehicles (4 wheelers, golf carts, dirt bikes, etc.) driving on the runway and apron. The rules clearly state that "only authorized aircraft and maintenance vehicles were allowed on the runway." Richard said that he has seen people driving their golf carts and 4 wheelers across the runway and thinks that it should be enforced across the board not just selective people and incidents. This was tabled for further discussion.

Ken said that there are a lot of people using the boat ramp that are not paid members. Richard said that issuing a membership sticker or rearview hanging decal might help the issue. Instead of confronting the person there who is not a member, we could just take a picture of the vehicle and contact the Sheriff Department. Richard said he would look for some samples and see what he could come up with.

Elizabeth made a motion to adjourn, seconded by Richard. Meeting adjourned at 6:10 pm.

Elizabeth read the minutes for the 2016 annual meeting. Richard made a motion to accept, seconded by Stephen, motion carried.

Financial report for 2016 was read by Elizabeth Ellis. Richard made a motion to accept the financial report, seconded by Johnny, motion carried.

Old Business:

Lights on the runway have been fixed however they seem to be turning on using the wrong radio frequency. Richard said he would take a look at it and see if he could resolve that issue. Runway light that was damaged by a vehicle has been repaired. The association's tractor is working and has been used a handful of times to assist in the mowing of the airstrip.

Elizabeth said she created a Facebook page for the association however the was Facebook works is that you have to have constantly update the posted to keep the Facebook page active. Elizabeth said she was going to look into see what other options are out there at a minimal annual charge.

New Business:

Dan wanted to know what kind of "traffic" or publicity we wanted for the airstrip. Do we want just anyone landing without knowing who they are. Ken stated that right now active paid pilots and their visitors should be the only ones utilizing the runway.

Mike wanted to see if the FAA master record had been updated. Ken said that it had.

Elizabeth said that new signs will be posted on the boat ramp and park showing updated contact information on it. Also, going to post a contact number on the runway where the information boards are located on either ends of the runway.

Johnny Johnston is ensuring the runway is being mowed. Dan said that he would help mow the runway if needed.

Elizabeth said there is a raccoon living in the trailer. She said she will set a trap and see if we can catch it. She will also see where it is coming in at and see if the access can be sealed.

Ken stated that we should consider raising dues. Ron said the association was not hurting financially and did not see the need to do so. That was tabled for further discussion.

Richard stated that there are 125 single runway lots and that if a \$50 a year fee was assessed per lot and every year it accumulated on the lots that don't pay then when the lots are sold who ever purchased the lots would also have to pay the unpaid monies before being allowed to use the runway. This was tabled for further discussion.

There are several posts on pier at the boat ramp that need to be replaced or fixed. The board will try and see about getting some bids to address it. The boat ramp is still being used by non-members. Richard said it might be a good idea to try and implement a "sticker system." All paid members would have a sticker on their vehicle. Any vehicles using the boat ramp or park could be reported to the Sheriff Department. Complainant can take a picture of the vehicle to avoid any confrontation.

Richard made a suggestion to make a few RV slots there at the park. There was concern of who would be responsible for keeping up with it. This was tabled for further discussion.

Ken made a motion to adjourn, seconded by Elizabeth. Meeting adjourned at 11:25 am.

Old Business:

The lights on the runway have not been working properly. They can only be turned on manually and not by radio. Ken said it had recently been worked on and he would see if it was just a matter of reprogramming the system. Richard said he would check the settings and make sure they are correct and verify if working properly.
